

Action Plan with Covid-19 restrictions and the church

Events around the Covid-19 virus is changing rapidly. As a church we have put into place an action plan for the church. As we are unable to have church corporate worship on a Sunday morning or meet in large groups for the foreseeable future, we still want to be connected to each other and to support each other during these times.

Each person in the church has been placed in a hub of others under the leadership of one of the leaders of the church. People allocated to each of the hubs are encouraged to stay in contact with others in the hub groups so that people will continue to feel connected. If your name is not in one of the hubs, then please let the church office know so that you can be included.

1. The Pastoral Care Team will continue to operate to help those struggling in their life situations
2. Encourage people to contact others within the church family, by either phone or email or text. If you need to talk with someone pick up the phone and call one of the Pastoral Care team members.
3. People can attend a Home group during the week if they would like. There is one held on a Tuesday at George and Lois', and two on a Thursday. One at Mark and Michelle's and one at the church Ministry centre. Numbers are limited to 10 people per home group. If these groups grow other home groups will be established.
4. Each week a message will be posted on our Webpage with Announcements, Bible reading, and a prayer.
5. The church bulletin will be sent out via emails and will be on the Web Page. For those who are not connected to the internet, a bulletin will be sent to the home address. If anyone is aware that people don't have the internet, then please let the church office know. The Web page address is www.warnersbaybaptist.org.au The churches email is warnersbaybaptist@gmail.com

If you want to do more within the streets you live in, there are invitation cards available to hand out to the people in your neighbourhood that might need help over this time. We have a template at the church office that can be sent to you or can be collected at the church office.
